**From San Diego Academy** Hello Parents, Are you interested in a Parenting Class? Then Parent Project may be for you. Parent Project teaches specific strategies to reduce arguments, increase your relationship with your teens, improve school attendance and performance and help you maintain a peaceful environment in your home. I can tell you from personal experience, these strategies work and are very effective. However, be warned, it does require you to put in time. The class is three hours per class, once a week, for ten weeks. “Good things take time.” There is a small fee of \$55 to cover materials. However, the concepts are priceless and the effects last forever. If you think you’re interested and want to be a part of this class, whether it be this time around or another scheduled time, please call the principle, Winston Morgan, at 619-267-9550 extension 162 or email him at [principle@sdacademy.com](mailto:principle@sdacademy.com).

**Spanish Radio Ministry** Maty Unruh thanks all who have given to help keep this ministry on the radio. There is an on-going need. Please mark your offering in fund #88, Spanish Radio Ministry.
