Dearest Chula Vista Church Family

It has been an honor to serve all of you in the nerve center of the CV Church Office over the past year. However it is with sadness that I announce that I will be moving up north to Spokane, Washington at the end of this month. This has been a hard decision but feel God has helped me make it. Like the GPS in my plane tells me, where I need to go, I need to follow God's GPS and feel Him directing me on a new course on my next flight of life's journey. It has been a real pleasure working with all of you fine people many of you on a daily basis. I will always remember all of you in my memories forever. Right now I need to set a new course and dial in to God and hone into what He wants me to do next.

If any of you are ever in the greater Spokane area look us up. We would love to have you stay and visit and enjoy the peacefulness of the woods. Time is running out on this old earth. I believe we are living in the final days. May each one of us desperately seek Jesus and tightly hold onto him for his coming is very soon. I know we will see each other very soon in God's Kingdom in heaven.
