Spiritual Gifts Sabbath

On March 16, Pastor Gerald Babanezhad presents a Bible based seminar on the definitions of spiritual gifts and laying a foundation for fulfilling the Great Commission by starting from strengths. One presentation will be during the 11 am Worship Service and the other right after fellowship luncheon at 2 pm.

This seminar helps to identify and ally individual strengths with spiritual gifts. Once clear on your strengths, you will figure out how to optimally work together in the group as a whole to make a positive impact inside and outside of the church.

By engaging in this process, believers are honoring God by following His plan for activating every member of His body according to the Scriptures. This is a very different experience from most seminars. Instead of sitting and listening, members are modeling what the Bible says: to celebrate our God-given uniqueness; to embrace our need of each other; and to love and labor with one another to the glory of God.
